## **2010 Hainan Rendez-Vous**

The eagerly anticipated new edition of Jet Collection will take place for the first time in Sanya, Hainan on March 12-14, 2010 and will be a major component of the ambitious Hainan Rendez-Vous. The event promises to display the latest in business aircraft technology and luxury living right in the heart of the new China Riviera.

The Jet Collection at Hainan Rendez-Vous is organised by China Rendez-Vous Ltd. in association with the Visun group, the official host of the event, and with the support of Asia's leading private jet magazine Jet Asia-Pacific. The Sanya Airport will be the official FBO Partner and the newly opened Visun Marina will be the venue for the lifestyle exhibition during the three-day event.

The Jet Collection will showcase the best aircrafts from the world of private aviation, courtesy of world-famous business aircraft manufacturer partners and renowned business jet operators.

Flown in from Beijing, Dalian, Hangzhou and Shanghai to Sanya on the industry's newest private jets, VVIPs will attend the event's glitzy opening cocktail and welcome dinner on March 12th. An impressive collection of business aircraft is unveiled on Day Two, complemented by panel discussions and audience Q&A to update guests on key issues of the industry.

Next years' event promises to be unique in that it combines for the first time jet & helicopter exhibitions with a Megayacht collection on display in the newly constructed Visun marina in Sanya. The luxury lifestyle dimension of the event is also stronger than in previous years with the participation of an additional number of luxury brand partners, offering their finest products from watch and jewelry collections to luxury cars, all showcased in the exclusive marina development.

Highlighting the event's pedigree, the event's host, tycoon Mr. Wang Da Fu, Chairman of Visun group, attributes the success of the event to its exclusivity. "An essential ingredient in the recipe for the success of the Jet Collection and the Hainan Rendez-Vous is its exclusive dimension, representing sophistication in lifestyle and a unique focus on business aircrafts for high net-worth individuals".

Guests enjoy the full experience of Jet Collection, believed to be one of the best opportunities to spend time together and deepen relationships as business associates and friends. President of Joinin Group Gao Jianrong praised the event's celebration of a unique lifestyle: "This is a great event. I can see different aircraft at the same time, and decide what I need"
